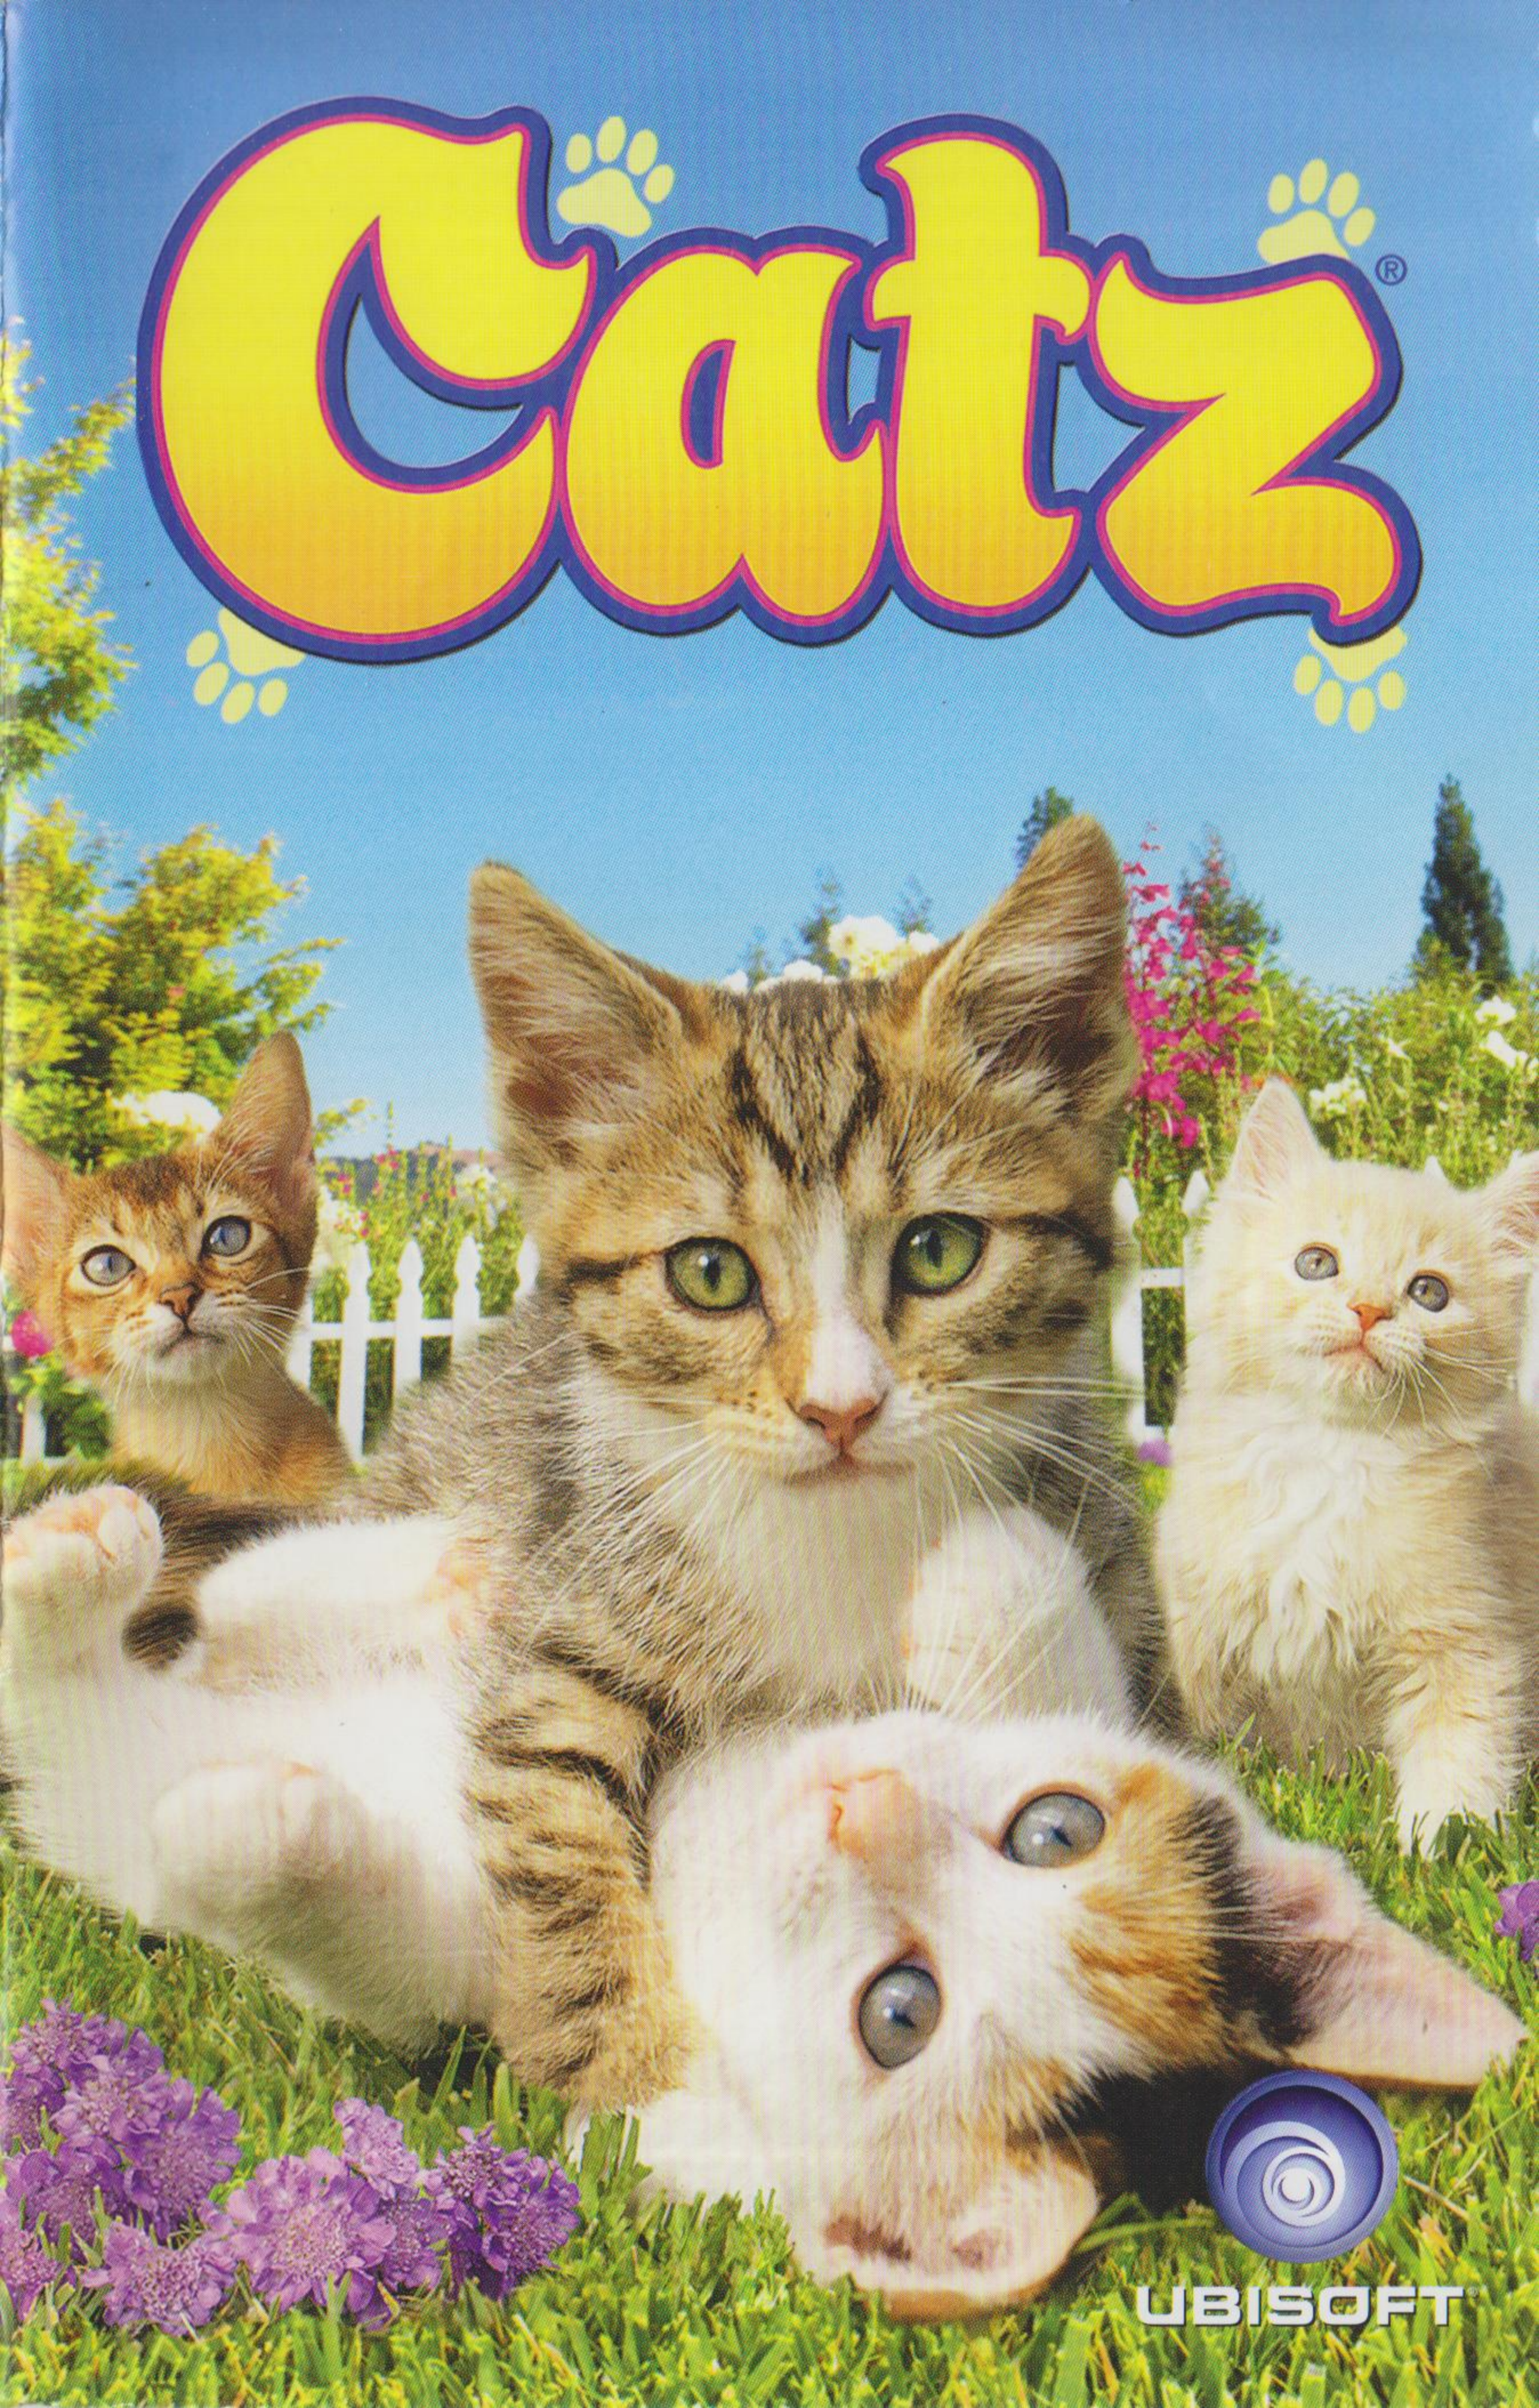
Catz®



UBISOFT®

Precautions

• This disc contains software for the PlayStation®2 computer entertainment system. Never use this disc on any other system, as it could damage it. • This disc conforms to PlayStation®2 specifications for the PAL market only. It cannot be used on other specification versions of PlayStation®2. • Read the PlayStation®2 Instruction Manual carefully to ensure correct usage. • When inserting this disc in the PlayStation®2 always place it with the required playback side facing down. • When handling the disc, do not touch the surface. Hold it by the edge. • Keep the disc clean and free of scratches. Should the surface become dirty, wipe it gently with a soft dry cloth. • Do not leave the disc near heat sources or in direct sunlight or excessive moisture. • Do not use an irregularly shaped disc, a cracked or warped disc, or one that has been repaired with adhesives, as it could lead to malfunction.

Health Warning

For your health, be sure to take a break of about 15 minutes during every hour of play. Avoid playing when tired or suffering from lack of sleep. Always play in a well-lit room, sitting as far from the screen as the cord will allow. Some people experience epileptic seizures when viewing flashing lights or patterns in our daily environment. These people may experience seizures while watching TV pictures or playing video games. Even players who have never had any seizures may nonetheless have an undetected epileptic condition. Consult your doctor before playing video games if you have an epileptic condition or immediately should you experience any of the following symptoms during play: dizziness, altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and / or convulsions.

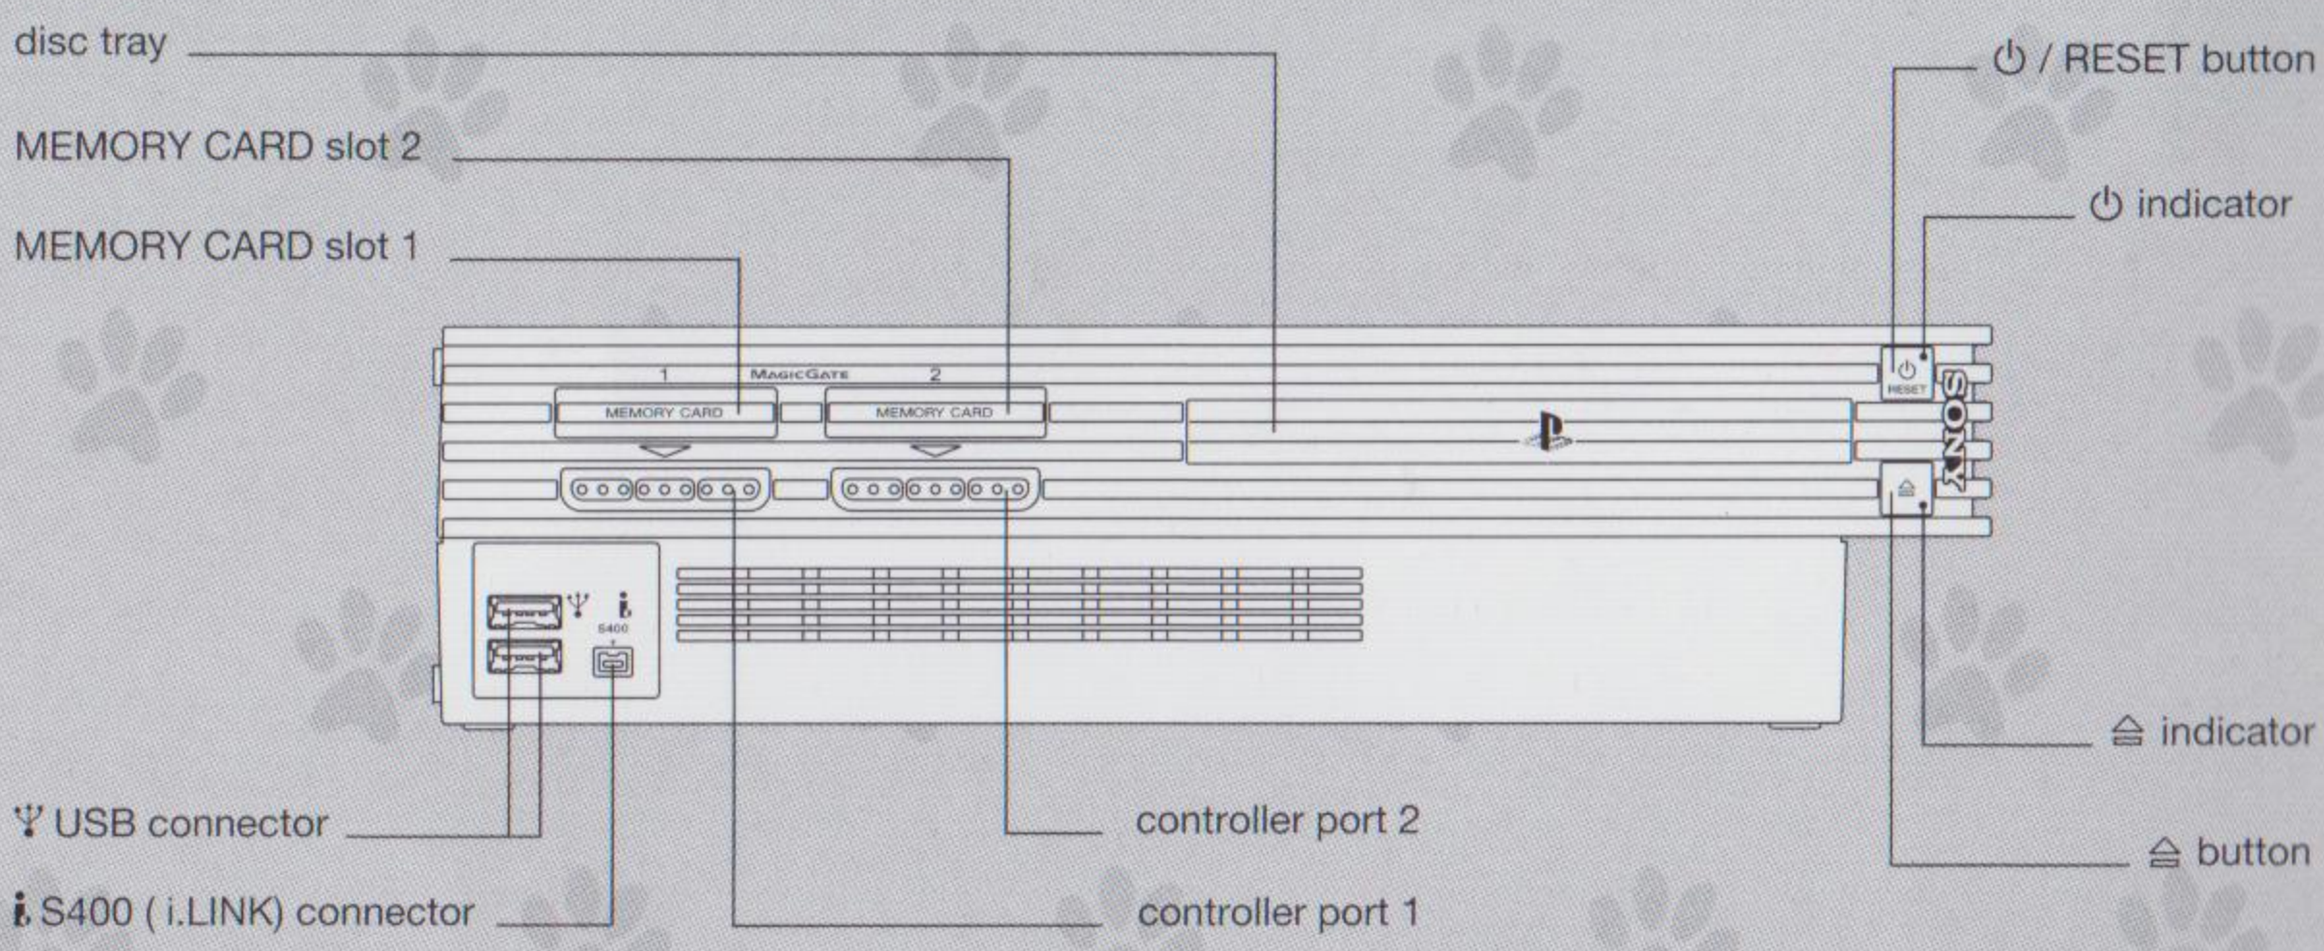
GETTING STARTED



Set up your PlayStation®2 computer entertainment system according to the instructions supplied with your system. Check that the system is turned on (the on/standby indicator is green). Press the ⏏ button to open the disc cover. Place the CATZ game disc with the label side facing up in the disc holder, then close the disc cover. Attach game controllers and other peripherals as appropriate. Follow the on-screen instructions and refer to this manual for information on using the software.

Memory Card (8MB)(for PlayStation®2)

To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot *1* of your console. You can load saved game data from the same memory card (8MB) (for PlayStation®2) or any memory card (8MB)(for PlayStation®2) containing previously saved games.

It is advised that you do not insert or remove accessories once the power is on.

Make sure there is enough free space on your memory card (8MB) (for PlayStation®2) before commencing play.

Select your preferred language from the Console's Internal System Configuration menu.

This game does not support a digital controller.

STORY

The world of cats has been protected by the power of the Magic Hat. Everybody lived happily, thanks to the Magic Hat. The Magic Hat has massive power that can be used for good or evil. To make sure the Magic Hat is used only for good, your family has been the protector of the Magic Hat for generations.

However, one day, the evil Ivlet came to your village and snatched the Magic Hat by tricking you! Ivlet used the power of the Magic Hat to destroy your village and the entire world of cats.

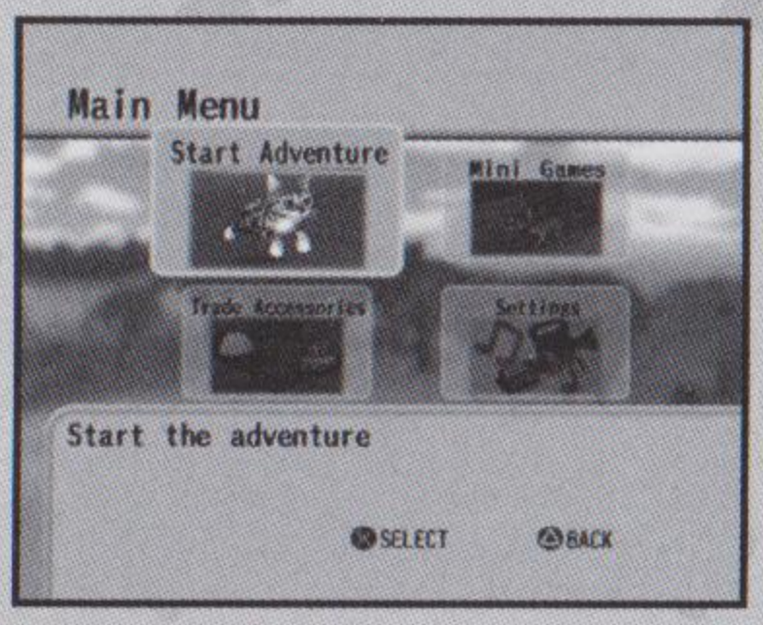
You will start your adventure by helping people rebuild their shops, finding special items to break Ivlet's evil spells, and doing other good deeds. Watch out, though, the enemy animals are on the way! Ivlet cast an evil spell on the animals of the field to make them go wild, and they will attack you if you get too close to them.

Eventually, you will have to defeat Ivlet and his minion to get the Magic Hat back and restore peace to the world!

Don't worry, though, you won't be alone on your journey. Beat, who represents the good half of the Magic Hat, will help you on your journey!

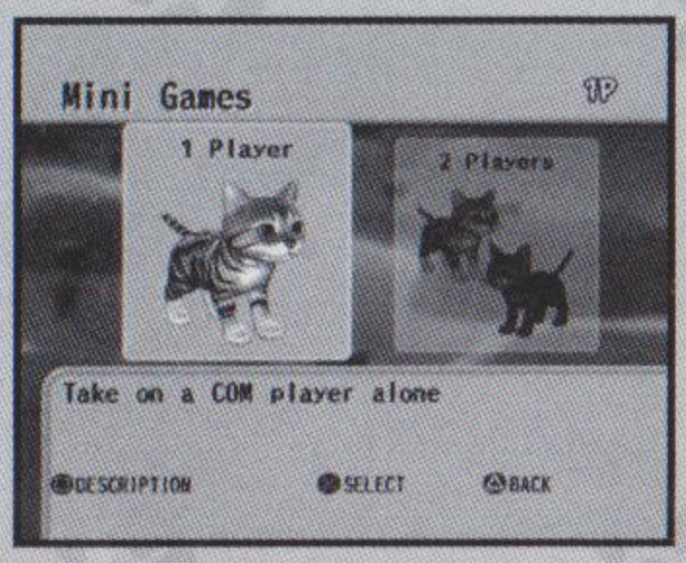
Now go on the adventure and save the world!

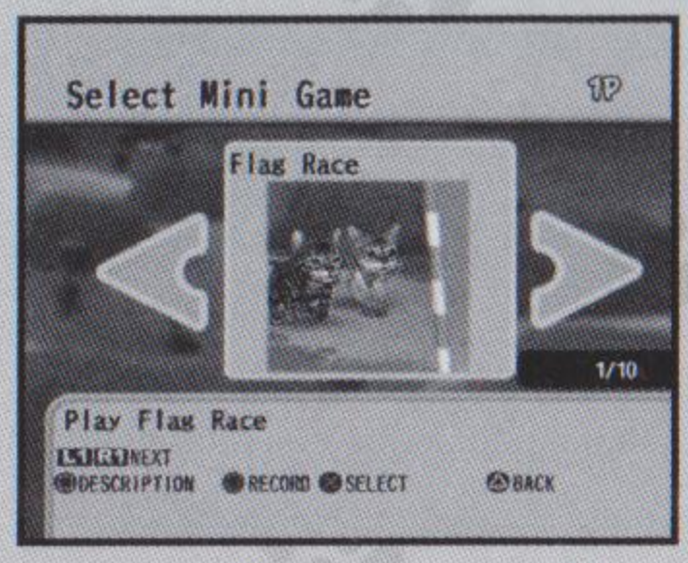
THE GAME



1. Start Adventure: Start your adventure to save the world and encounter a variety of animals, insects, and items!

2. Mini-Games





Find missing animals from the Zoo out in the fields in Adventure mode, and win mini-games against them to unlock *11* more fun mini-games! You can play mini-games from the Zoo as well, once you find the missing animals and win mini-games.

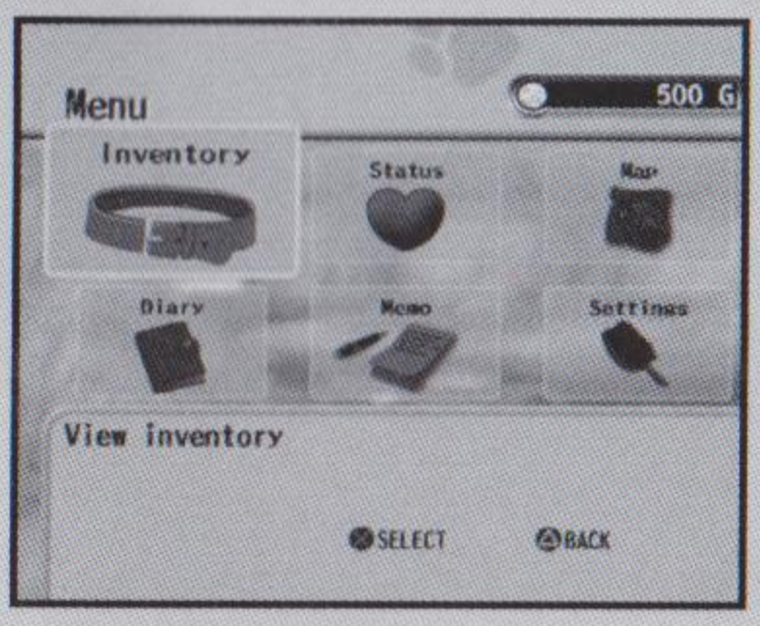
Once mini-games are unlocked in Adventure mode, you can play those mini-games from the menu. From the menu, you can play the 2-player mode, as well as the single-player mode. Bring your memory card (8MB) (for PlayStation®2) with you when you visit your friends, and use your own character to play mini-games with them!

Flag Race
Ring Toss
Dodge Ball
Chicken Race
Fruit Catch
Curling
Hockey
Barrel Ride
Rodeo
Treasure Hunt
Sledge Pull*

*Sledge Pull is only available in Adventure mode, since it is only a single-player mini-game.

3. Trade Accessories: Trade clothes and accessories with your friends! Bring your memory card (8MB) (for PlayStation®2) with you when you visit your friends and exchange items with them. Your friends might be able to give you a rare item you haven't found yet!
4. Settings: You can set sound, vibration, camera, and text speed settings.

In-Game Menu



Press the START button to go into the in-game menu.

Inventory: Check the items you currently carry.

You can also change your clothes and accessories.

For each insect, fish, flower, or food, the location in which it is found for the first time in the game is specified. However, you can find some insects, fish, flowers, or food in multiple maps.

Status: Check your character's status.

If you are poisoned, you will lose health. Use an antidote immediately to remove poison.

Map: Check to make sure you are in the right location.

Diary: Shows you what to do and where to go next. If you get lost, check the Diary!

Memo: Shows you all the tips in the game. It explains what each game feature means.

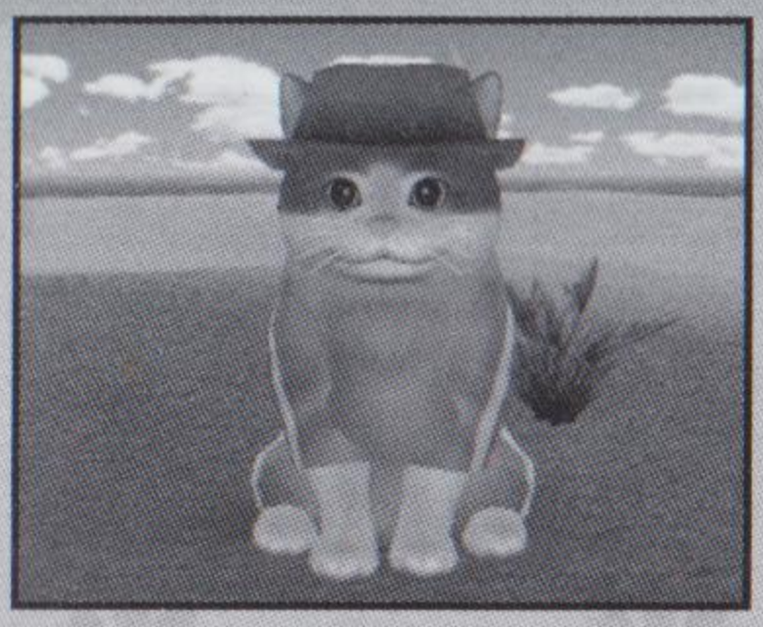
Settings: You can change the sound, vibration, camera, and text speed settings.

PAWVILLE VILLAGE

Home:

[South Pawville]

Your dad and mum are always there to support you. You can recover your health by taking a nap in your bed. You can also save the game if you check the book on the table.



Zoo:

[South Pawville]

Kenneth takes care of the Zoo.

The animals escaped from the Zoo when Ivlet destroyed the village.

Go find the missing animals out in the fields, and win mini-games against them to make them return to the Zoo. Once they come back to the Zoo, you can always play mini-games at the Zoo.

Aquarium:

[South Pawville]

Charles takes care of the Aquarium.

Each player can bring back fish that you catch by fishing. By completing quests, you can extend the size of the fish tanks! Complete quests and catch more fish!

Police Station:

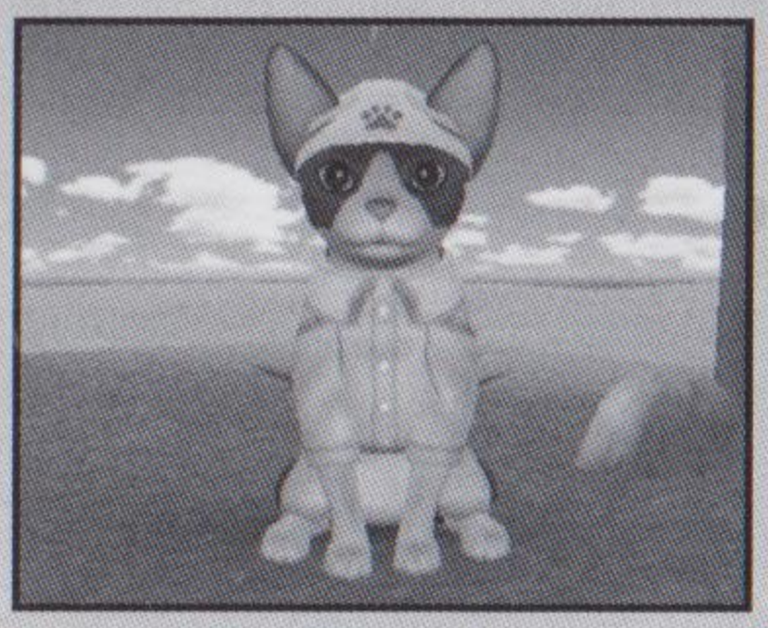
[North Pawville]

Ada is the sheriff of Pawville.

Godfrey:

[North Pawville]

The richest man in the village!

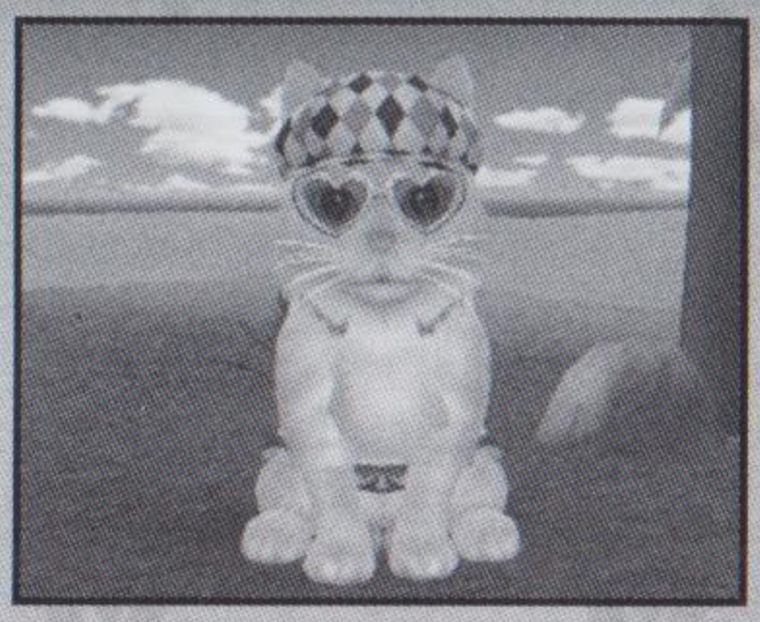


Stanley:

[North Pawville]

He's a carpenter.

He's very busy fixing the destroyed buildings in the village. Help him work faster!



Fashion House:

[South Pawville]

This is a store that carries clothes and accessories. It is owned by Sheila.

You can buy basic accessories with money, but you can find materials and give them to Sheila to unlock new items. With colour variations, there are over 1,500 items in the game! How many items can you get?!

You can change your outfits and give away clothes and accessories to the villagers to change their outfits as well!

Chemist's:

[South Pawville]

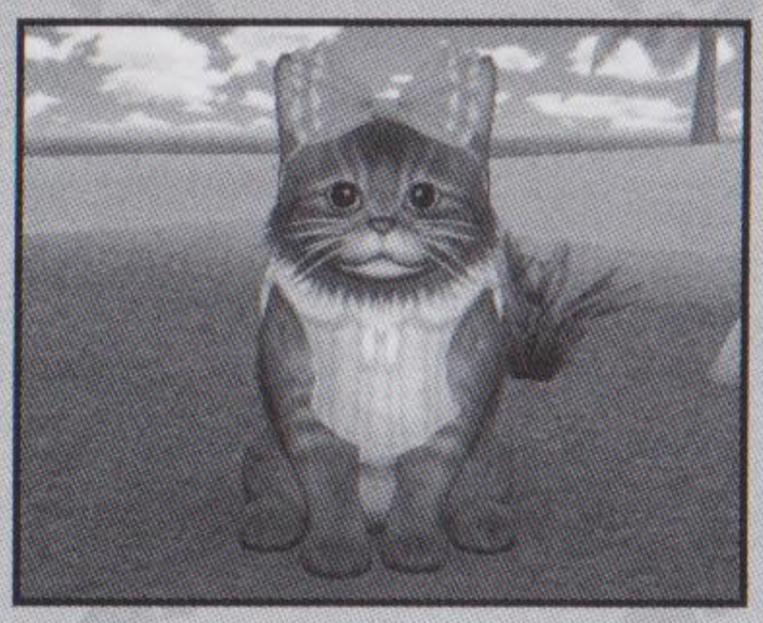
The chemist's carries healing items and antidotes. It is owned by Gertrude.

You can purchase the items with money.

Pawn Shop:

[South Pawville]

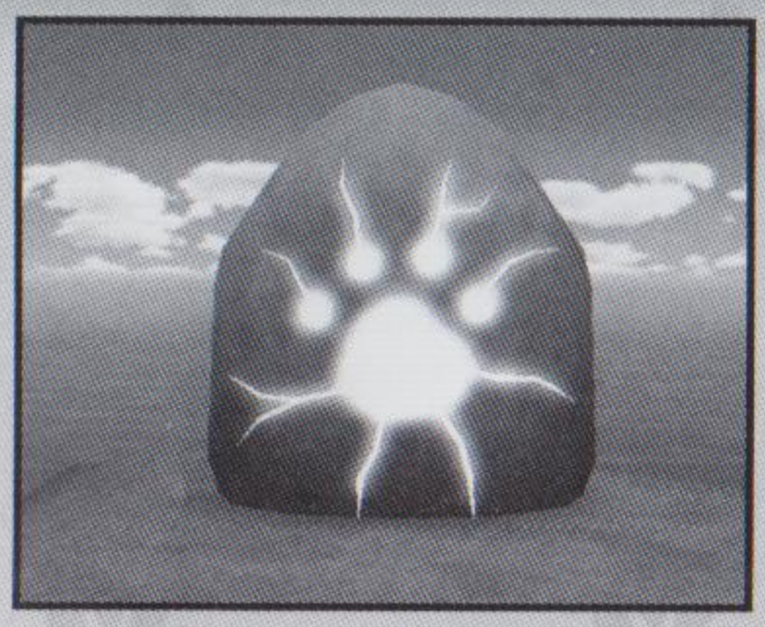
Here you can sell off any items you acquire in the fields or purchase from stores. It is owned by Tom.



Flowerbeds:

[South Pawville]

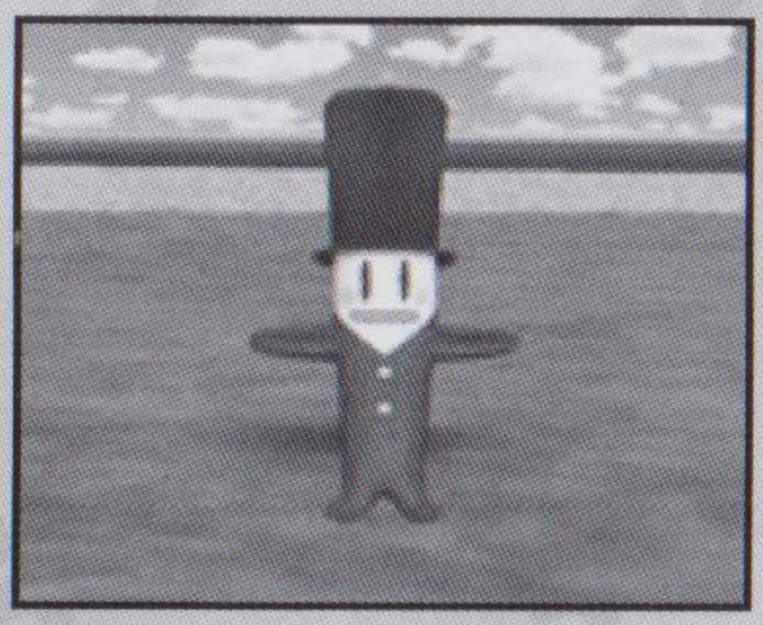
Once you unlock the flowerbeds, you can plant flowers and release insects you like into the flowerbeds! Clara takes care of the flowerbeds for you.



Warp Stone:

You can save game data and warp to other maps you've already visited, once you unlock Warp.

You can find Warp Stones in many maps. You can find one in South Pawville.



Beat:

Beat represents the good half of the Magic Hat. He will help you on your journey!

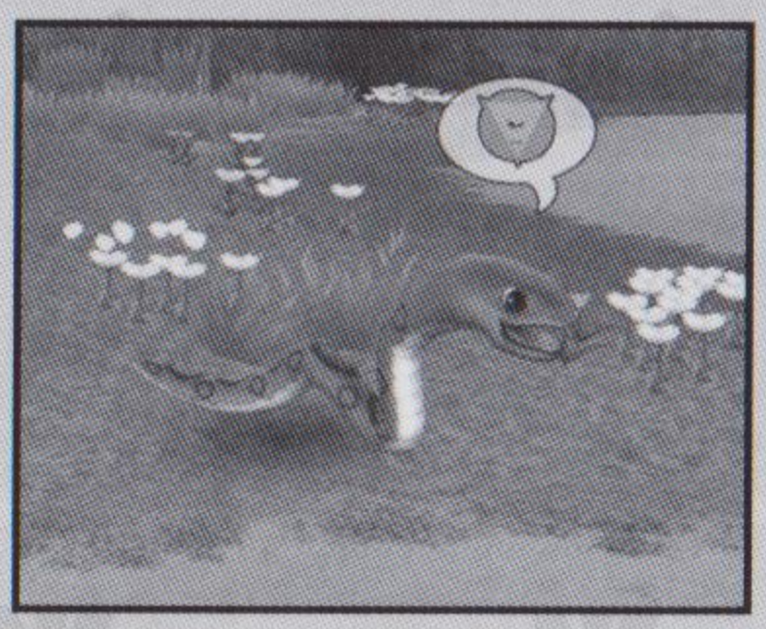
ENEMIES

ivlet:

He steals the Magic Hat and tries to destroy the world of cats.

Chaotic Dragon:

An evil dragon that was summoned by Ivlet.



Others (wild animals that ivlet cast evil spells on):

Ivlet cast an evil spell on all of the wild animals, and now they will attack anyone who gets too close to them.

The enemy's moods are described by the icons below.

Safe: It won't attack you.

Dangerous: It will attack you if you get too close to it.

Angry: It will definitely attack you.

Asleep: It's sleeping.

Stunned: It's stunned.

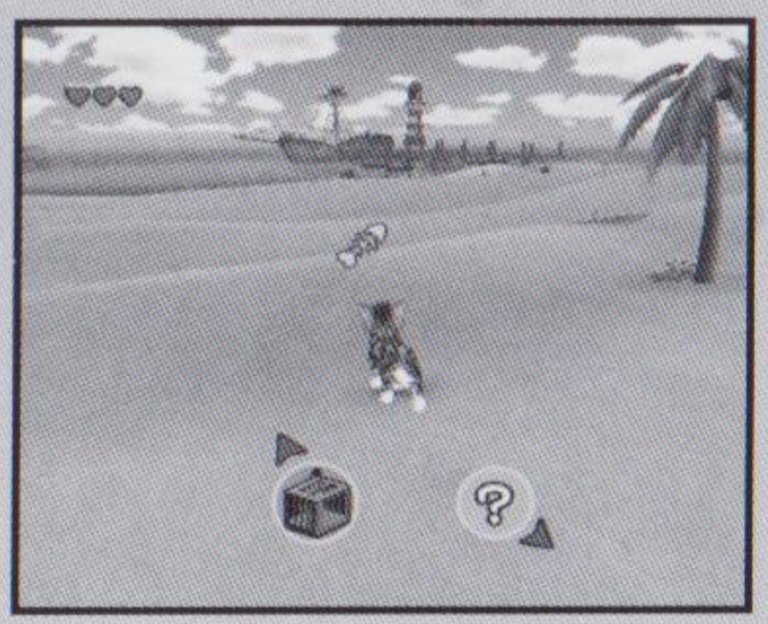
When You Get Attacked by Enemies

When you get attacked by enemies, you'll lose your health (heart marks in the upper left corner). Eat healing items or take a nap at your house in South Pawville to recover your health. By completing some quests, you can earn more hearts.

Skills

In addition to the basic skills, you can unlock new skills by completing quests.

Here are some important skills.



Whiskers Radar:

Use the Whiskers Radar to find items buried underground. Use your whiskers to find items!

Press the □ button to use Whiskers Radar. Once you get to the item location, the radar will flash, so press the △ button to dig it up!

The left radar shows quest items and the right radar shows non-quest items.

You might sometimes find materials for rare accessories among non-quest items! Bring materials to the Fashion House to unlock new clothes and accessories, or bring unnecessary items found to the Pawn Shop to sell them.

Pursuit Whiskers:

You need to use Pursuit Whiskers to find important quest items.

The paw prints show up on the field, so follow the prints!

Dig:

Press the △ button to dig the ground. Watch the Whiskers Radar!

Screech:

Sneak up on an enemy and screech at it to stun it! Try to sneak up from behind or try when an enemy is asleep.

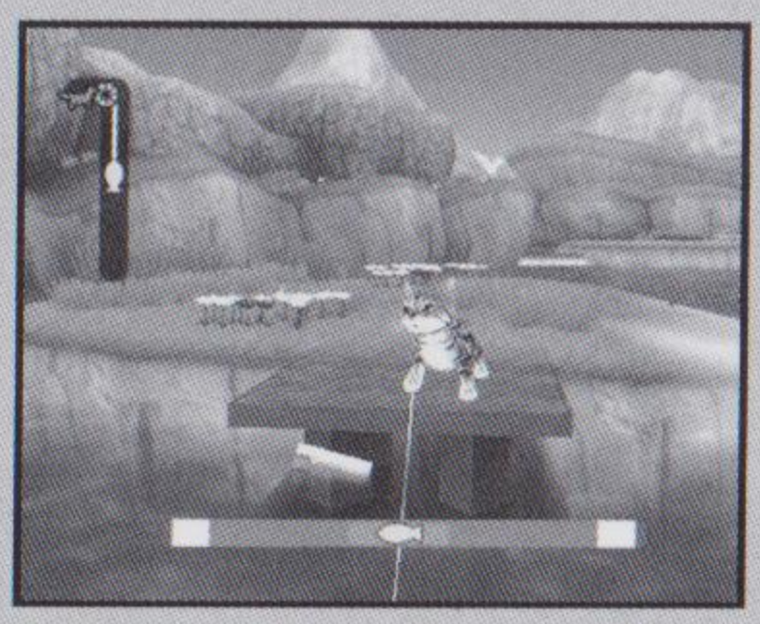
Catch:

You can catch insects and friendly animals, such as small birds and pigs.

Press the ⊗ button at the right moment to capture them!

Once you capture insects, you can keep them to release them in the flowerbeds, or you can sell them at the Pawn Shop.

If you catch friendly animals, you cannot keep them, but you will get a reward. Bring the reward items to the Fashion House. You might be able to unlock new clothes and accessories!



Fishing:

Go fishing near the water.

Press the ⊗ button to throw a line. Once you pull the line and the float goes under the water, press the ⊗ button immediately to start catching fish. Press the ⊗ button continuously to keep the line well-balanced. Don't pull the line too hard or let it get too loose.

Once you catch fish, send them to the Aquarium or sell them at the Pawn Shop.

Swimming:

You can swim in the water.

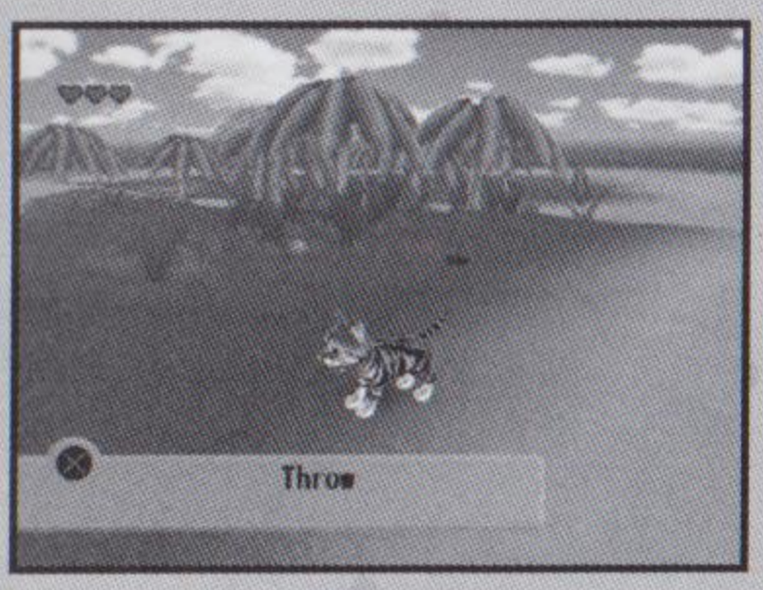
Push:

You can push rocks on the fields. There are four different levels of rocks. Complete quests to be able to push bigger rocks! Some rocks block the roads to the next map. Push them away with your mighty pushing skills!

You can check what level of rocks you can move on the Status screen from the in-game menu.

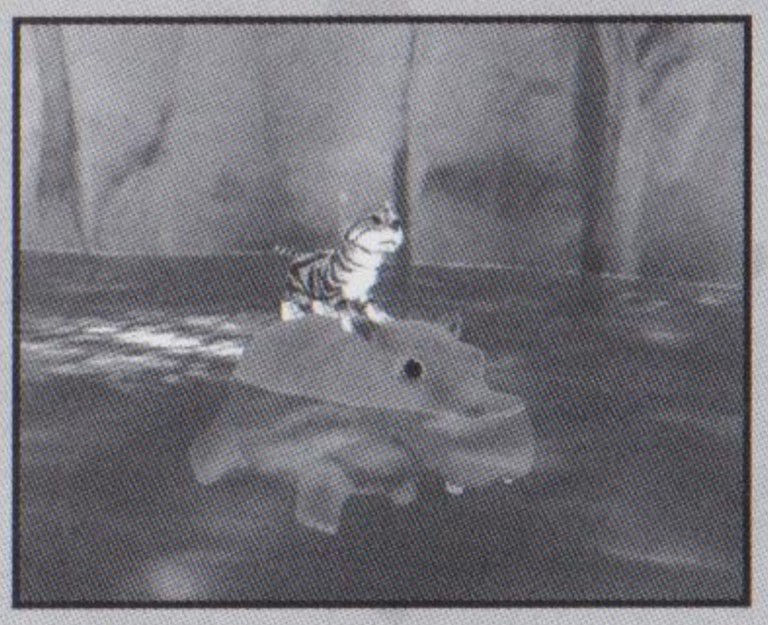
Crouch and Crawl:

In the bushes, you can crouch and crawl. Use crouching and crawling to sneak up on an enemy or avoid an enemy.



Pick Up and Throw

You can pick up a stone from the ground and throw it at an enemy to stun it.



Call:

You can call animals from one side of the water, and cross the water by riding them.

Once you call them, each animal shows up, and will take you to a different location.

Prairie Dog:

When a prairie dog is nearby, you will be led to the prairie dog catch mode. Chase and catch it! You will receive a reward!

CUSTOMISE THE VILLAGE

You can customise your village by doing the following things. Make your village very unique and cool!

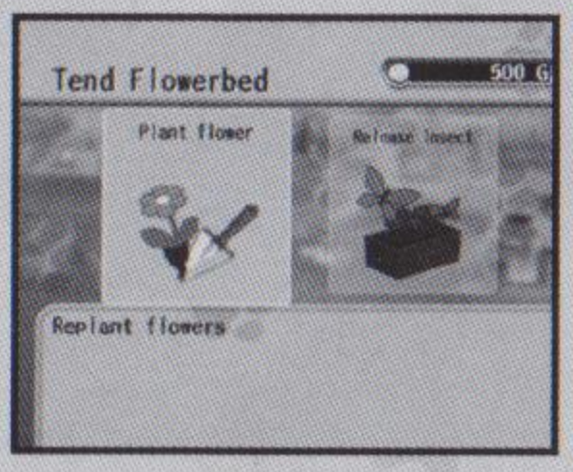
Change Your Outfit

You can either go to the Fashion House and purchase a new outfit or go to the Inventory screen from the in-game menu to change your outfit.

Change Villagers' Outfits

Go to the Fashion House and select Gift to Villager.

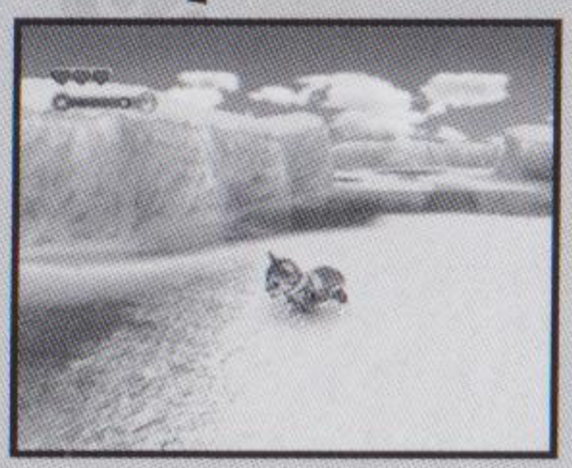
You can give clothes and accessories to the villagers so they can change their outfits.



Plant Flowers and Release insects into the Flowerbeds

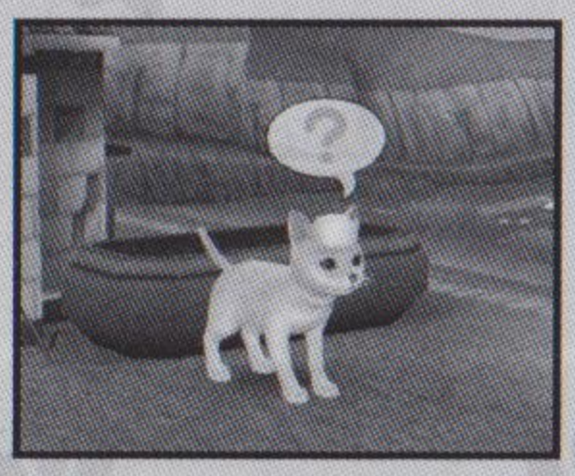
Go see Clara in South Pawville, and ask her to plant flowers and release insects into the flowerbeds in the village.

Temperature Gauge



You need to wear a certain type of suit in either the Inferno Cave or the Polar Fields. Otherwise, you will get too hot or too cold and lose your health very quickly. So be careful out there!

Quest Giver



Any character with a "?" mark above his or her head has a quest for you. If you get lost, go talk to him or her!
